

# POSITION VACANT

## YOUTH AND YOUNG ADULTS

### PASTOR

3 Days Paid Position

Asquith Church of Christ, NSW, is seeking to appoint a Christian Leader to the part-time ministry role of Youth and Young Adults Pastor. The position on offer is for 3 days paid employment (3/5ths of full salary). Successful applicants need to have natural leadership abilities and a passion for reaching and discipling youth and young adults for Jesus Christ.

#### **Key Objectives**

To step into the leadership role of pastor over the small group of youth at Asquith Church of Christ and creatively develop the youth ministry both numerically and spiritually. A secondary ministry of encouragement and edification to young adults in our church is desired.

#### **Present Groups**

**AXD** (Asquith Xtreme Disciples) Youth group meets on Friday nights from 7:00-9:00 pm at the church during School term. At present we have an average of 11 youth attending. We hope to see our current small youth ministry develop in healthy and exciting ways. Most events are in-house with occasional off-premises events. There are currently 3 Youth leaders running Friday night activities.

**6 Up** Sunday Morning Bible class for kids in years 6 and up. Our **6 Up** group meets for approximately 45 minutes on Sunday mornings during the second part of the main worship service. This group will come under the leadership of the successful applicant.

#### **Sunday Morning Service**

Church runs from 9:30 am to around 11:00 am. We have around 50 adults and 20 children on an average Sunday. A Morning Tea follows the service to allow for one on one fellowship time.

#### **Sunday Evening Service**

Evening Service is currently held at 6pm with supper following. Traditionally, the Sunday evening service has been young-adult oriented, but we currently have a small mixed age attendance. It would be expected that the Youth Ministry Pastor would be involved in this service and take advantage of opportunities it may present for discipleship to teens and young adults.

#### **Key Responsibilities**

- The oversight of Church-based youth programs and events
- Facilitating growth of the youth ministry through strategic outreach
- Discipling and mentoring of youth in the Church's care
- Building rapport with the parents
- Facilitating leadership development and equipping of youth, in co-operation with the Senior Pastor

The person we are looking for will be a dedicated Christian who possesses appropriate experience, qualifications, good people skills, excellent communication and a passion for ministry to youth. Must be an Australian Citizen or Resident, will require a current NSW Working with Children Check and compliance with NSW Churches of Christ ministry endorsement (or be willing to gain endorsement).
