

RESTORECHURCH

Children's Pastor Opportunity

Restore church is a small church set in Castle Hill in the Hills district of Sydney.

We have a diverse range of people and a growing demographic of young families. As a church we are committed to helping people find and live the way of Jesus by setting a bigger table, telling a better story and showing people a new way to live.

At the moment we're looking for someone with a heart for helping children become followers of Jesus. You would be overseeing our current children's ministry and team and working towards ways that we can grow this ministry and reach other children in our community with the good news.

Our current children's ministry runs every Sunday during our gathering and is comprised of four zones ranging from crèche to year 6.

We looking for someone who has children's ministry experience and a passion for teaching younger children about Jesus. Ideally qualifications in either ministry or education would be preferred, but are not essential. The successful applicant would need to be willing to become a member of Restore church and an endorsed pastor of Fresh Hope.

We are currently looking to appoint someone on a one-day a week basis, but are willing to review the situation regularly with a view to increasing the role. If you are interested, please contact us so we can talk specifics.

For any expressions of interest, please contact our operations manager at admin@restorechurch.com.au or **0400 248 383**
